S. No	SUGGESTION	ACTION TAKEN
1.	Improvement needed in the criteria “Competence and support offered through mentor system”	Several steps are taken towards this criteria, including a mentorship program and the availability and accessibility of resources. Additionally, there are dedicated personnel to address student issues and provide the necessary support.
2.	Highly availability and access of library resources to all students	Actions taken include increasing the number of books available in each department and adding a substantial number of additional authors in various subjects to offer students a wider range of options. Furthermore, students were encouraged to make greater use of the library.
3.	Criteria “Availability of the infrastructure to be improved.	Regarding this criterion, communication took place with the management, resulting in the partial completion of infrastructure and the remaining work still in progress.
4.	Canteen facilities to be improved	A new canteen has been provided, featuring hygienic conditions and ample space through extension and renovation.
5.	Improvement needed in the criteria of “Institution’s support and contribution for the development of the students”	Institutional supports include flexible fee payment options, extra revision classes before exams, and access to various state and national educational scholarship programs to assist financially disadvantaged students. Additionally, a system has been created for students to address queries through their class teachers, ensuring they receive the necessary support and contributions.
