S. No	SUGGESTION	ACTION TAKEN
1.	Improvement is needed in the teaching method includes the recent trends	Actions such as incorporating online methods as needed alongside classroom lectures have been implemented based on feedback. This includes using seminars and video projections to visually illustrate concepts.
2.	To shape presentation skill analytical & Critical thinking of the students	Initially, we began by assigning semester-wise research-based assignments to students to enhance their analytical skills. Additionally, to inculcate critical and analytical skills we introduced teaching through case studies and role-playing sessions following the completion of each unit, as required by the subject. Finally, to conclude the syllabus, students are tasked with preparing and presentations for partial internal exam on topics related to course outcomes.
3.	More periodical assessment are to be conducted by the department	The college instructed all departments to conduct Monthly tests as part of continuous assessment.
4.	Require to take additional steps to ensure essential learning objectives are address effectively in each topic.	Actions taken toward this criterion include the preparation of weekly teaching plans by teachers according to assigned topics, which are overseen by senior faculty and the principal. This ensures that all teachers are effectively delivering content to meet the learning objectives.
