Criterion 4 - Infrastructure and Learning Resources

4.1 Physical Facilities

4.1.1

The Institution has adequate infrastructure and other facilities for,

- teaching – learning, viz., classrooms, laboratories, computing equipment etc
- ICT – enabled facilities such as smart class, LMS etc.

Facilities for Cultural and sports activities, yoga centre, games (indoor and outdoor), Gymnasium, auditorium etc (Describe the adequacy of facilities in maximum of 500 words.)

Response:

Facilities on Campus

Good infrastructure shapes student futures, with spacious classrooms, ICT-enabled spaces, well-equipped Physics, Chemistry, and Computer Sciencelabs, and a state-of-the-art auditorium enhancing learning processes.

Technology Integration

To make education more accessible and provide interactive learning experiences for all students, our college is equipped with Wi-Fi connectivity throughout the campus.

Sports Facilities

We offer diverse physical activities like basketball, cricket, athletics, and indoor games, with yoga and meditation for stress management.

Canteen Facility

Our college offers healthy and nutritious meals to students at affordable prices, ensuring they have access to quality food on campus.

Examination Cell

The college's Examination Cell ensures smooth and efficient exam processes.

Green Spaces

Our campus is designed to be rejuvenating and refreshing, with beautiful landscapes and aesthetic gardens. Students often use these open spaces for studying, which provides them with a peaceful environment conducive to learning.

Green Initiatives

The college takes significant green initiatives to make students environmentally conscious, fostering a sense of responsibility for a better future.

Cultural Spaces

Our college encourages creativity through cultural competitions, fostering a motivating atmosphere that enhances students' academic journey and personal growth.

Audited income and expenditure statement of the institution to be signed by CA for and counter signed by the competent authority (relevant expenditure claimed for infrastructure augmentation should be clearly highlighted)	View Document

4.2 Library as a Learning Resource

4.2.1

Library is automated with digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students

Response:

The college library, located on the second floor of the main building, promotes lifelong learning among students. It features a spacious reading hall of 840 square feet with a seating capacity of 70, and a total area of 1,512 square feet. With a collection of 16,324 books, the library offers diverse resources including subject handbooks, dictionaries, competitive exam books, and reference materials. It also houses skill-based books, magazines, newspapers, employment periodicals, and journals. User-friendly and accessible, the library meets the intellectual needs of staff and students, serving as a vibrant knowledge hub and a cornerstone of the academic community.

Usage of Library

The CKNC library enriches the intellectual pursuits of students and faculty, operating from 9:00 AM to 5:00 PM. It offers a vast collection of books, open access to documents, electronic information, and e-papers. Equipped with four personal computers with internet access, the library provides easy access to numerous journals and reference materials. Students can explore extensive academic materials across various disciplines, from printed books to electronic databases. Our library is a gateway to scholarly resources, fostering information literacy and embracing digital innovation, thereby supporting the academic and research needs of the entire college community.

Subscription to e-resources

An initiative has been undertaken to secure institutional subscriptions across various disciplines, aimed at enhancing subject knowledge within their respective fields.
